# A Note From Pastor Pete

As I write this summer newsletter article, it's 49 degrees and raining. In other words, it's a typical New York spring. But just as we know God is faithful to respond and work in our lives, we know summer and warmer days are ahead.

Rooted Youth Group during the summer experiences a slight shift. We have finished up our Wednesday night youth group gatherings for the school year and will resume those in the fall. However, our Sunday night youth group will continue to meet all summer long, aside from those few Sundays that fall on holidays, such as Father's Day, Independence Day weekend, and Labor Day weekend.

Currently on Sunday nights in youth group we are studying a well known section of scripture, Hebrews 12:1-3. Although this passage is short in length, it goes in depth to show us how we can best "Run Our Race" of life and faith in Christ. Over this next month, we will see how our race requires perseverance, the help of others, unloading things that slow us down, fixing our eyes upward and outward, and remembering Christ's pain which was for our gain.

Later in the summer, starting the week after Independence Day, we will begin having our summer house parties. Instead of meeting at the church for our Sunday night youth group, we will meet at the homes of different hosts from our church family. We will be able to do some swimming, fishing, yard games, and other activities. Our summer house party schedule is almost finalized and will be shared with our youth and church within the next two weeks.

With the end of the school year also comes graduation and celebrating the significant accomplishment and transition of some of our high school seniors into the next season of their lives. We're excited to celebrate with and honor the following High School seniors from our church: Jonah Burns, Lily Campbell, Brody Houghtaling, Gina Price, Chase Reinbold, and Daniel Stilson.

We'll have a special time of recognition and prayer within our worship services on June 15, as well as a chicken BBQ luncheon for our grads and dads after the worship services. As we say goodbye to these graduates, we also have the opportunity to welcome those students completing sixth grade, who are invited to join us at all summer youth events once school is completed.

The summer season also gives us some unique opportunities for summer camps, mission trip, and other events. Our Wesleyan district camp, Chambers Camp, offers two youth camps this summer. Teen camp is held from July 14 - 19, and Discipleship Camp is held from August 3 - 7. You can visit [www.chamberscamp.com](http://www.chamberscamp.com) for more information and to register. Our youth group is also excited to serve on our summer mission trip from July 26 - August 2 with Big Creek Missions in Bear Branch, Kentucky. We have 13 students and 5 leaders committed to this trip. If you would like to financially support our trip, you can give directly to the church and write "Youth Mission Trip" on the memo line. For more questions, please contact Pastor Pete or the church office. Our summer schedule will likely also include other events such as outdoor movie nights, bonfires, and a trip to Darien Lake. Our summer calendar events, which will include our summer house party information, will be released within the next two weeks.

As I shared in my annual report, I want to thank our students, our youth volunteers, our parents, and our church family for continuing to participate in and support our youth ministry. God has done some incredible things in and through our youth ministry throughout the years, and I'm convinced that He's not done.

Serving with you,  
Pastor Pete
